Microsoft Teams

This free online Microsoft Team course will introduce you to the application, Microsoft Teams, as well as its usefulness to professionals and how the application can be accessed or downloaded. The course will then teach you about the general outlook of the Microsoft Teams application dashboard. The step by step process for a user to get help when working with the Microsoft Teams application will also be covered in this course.

Modules Studied

Module 1: Introduction to Teams

Module 2: Creating Teams and Starting Conversations

Module 3: Course assessment
